NOTICE

All the faculty members are hereby informed regarding their role as mentor mentee, which is a mandatory requirement for institutional development. The role of mentor is crucial in shaping the future of the students, hence accordingly all the faculty members are required to play their allotted role in achieving the required purpose of UGC/NAAC. All the mentors are supposed to keep the record of any achievement of the student allotted to them for different semesters besides routine counselling and monitoring of allotted students as per the given format;

| S. No | Name of the student | Sem-ester | Roll No | Sess ion | Whats App No./email | Special Achievements by the student | Type of Guidance and Counselling provided to the student | Signat-ure of the student |
|-------|---------------------|-----------|---------|----------|---------------------|-------------------------------------|--|---------------------------|
| | | | | | | | | |

A mentor's role is very crucial in providing the guidance, support, and to act as a positive role model for a mentee by sharing expertise and feedback to help them achieve their professional/academic goals. Whereas mentee's role is to drive the relationship by being proactive, seeking guidance, accepting feedback, and taking ownership of their professional and academic development. Both mentor and mentee are supposed to play their role through meaningful engagement by actively listening, communicating honestly, and showing respect for each other's time and commitment. Although all the teachers are playing their important role during regular transaction of the curriculum but as per UGC/NAAC guidelines proper maintenance of record and tracking of students is mandatory.

This whole exercise is aimed for the upliftment of the students as well as institution under the guidance of experienced mentors. Hence proper record maintenance and submission of data with IQAC at the end of each semester for this whole exercise is mandatory as per allotted students.
